

# COACHING COMMUNIQUE

## No. 3 for 2010

The State Coaching Committees have identified that Zones 2, 5, 9, 10 and 11 have a high number of coaches whose accreditations require updating. In the near future, 3 re-accreditation venues are being offered. It is incumbent on the individual coach to make application to attend the nearest course to maintain their present listing.

The process for registering to attend any course is so simple. Access and print off Registration Forms by logging onto either :

- Ladies:** NSWBA website and go to *Development* drop down menu bar and then to link *Coaching*

Completed forms with payment included or finalised by direct transfer should be returned to the appropriate Association as indicated. Details about the course venue, Course Kits and Manuals will be sent out approximately 3 weeks prior to the course by the Coach Education Co-ordinator..

**Zones 2, 5, 6, 7, 8, 12 and 15** have either had or are planning to have an *Information Sharing Forum* with their coaches and members of the State Coaching Committee. Zone Presidents, Secretaries and/or Coaching Committees need only to contact Allan or Kathy to make mutually convenient arrangements to hold one of these important communication opportunities. Don't miss out.

**One BIG Question** ..... **Have you seen one, have you read one, do you use one, do you own one?**  
The new Introductory and Club Coaching Manuals are now readily available through your Association. Order yours by contacting the RNSWBA on 9283 4555 or NSWBA on 9267 7155. Cost including P & H is available on request.
