Wednesday 10th November 2010: 9.00 am – 5.00 pm.

This professionally planned gala event will feature guest speakers **Steve Glasson** and **Karen Murphy**. Zone 7 was the latest host for their coaches to participate in an *Information Sharing Forum*. Just on 30 men and ladies coaches met at the superb Malula Bay BC and were introduced to the new Coaching Manuals with discussions and questions following about the current Bowls Australia initiatives planned to enhance the quality of coaching nation wide. The occasion also provided the opportunity for many of the Zone's coaches to meet for the first time.

Information Sharing Forums for 2010 are drawing to a close. If your Zone or District has not as yet taken the opportunity to participate in such a venture and wishes so to do, please contact Kathy or Allan at your earliest convenience.

If you are considering becoming a coach, down load and complete the application forms from the either the ladies or mens websites and post it off to the appropriate Associations as soon as possible.
