President's Foreword

By Mark Conway

This year will see the 61st running of the Mattara Bowls Carnival. Again this carnival is proudly supported and sponsored by David Lloyd Funerals and we thank Aaron Bessant Operations Manager (Acting) Central Coast & Newcastle for your support and your companies ongoing generosity, support and friendship.

There are a total of just over 600 Male and Female Bowlers who have entered into many of the Events.

On behalf of our Zone 2 Executives and Committees we extend the "Hand of Friendship" to all our participants and visitors. After a few successful years of the Carnival being held at the Hamilton North Bowling Club who did an Outstanding Job the reigns have been handed over to the Beresfield Bowling Club. The Official Opening will be held at Beresfield on the 14th October.

Two Long Serving Members from this club Patron Eddie Atkinson and Joan Carey will have the honour of rolling the Golden Bowl and Jack. Certainly an honour for them both to be invited to perform these duties.

Club Charlestown will also be hosting the Les Parrott Open Singles and the Denis Broad Restricted Singles Events and we thank them for that. Thank you also to all the other Clubs who are hosting Sectional Play. WTS Promotions who are providing the medallions for the Mattara Event Winners "Thank You".

On Friday 20th October will see many Finals being contested at Beresfield. On this day you will also be able to test your Bowls on the "Chute Down for Cancer" for a gold coin donation. This was the idea of Glenn Billy Baxter and has raised many hundreds of dollars for a terrific Cancer Charity Drive. Well done Glenn you are doing an amazing job so everyone please come along and support this.

My personal thanks to Sports Administrator Warren Shipley and to the Zone 2 Match Committee for your organisation and completing draws. To all our Bowlers who have entered play with great spirit and friendship and most of all "Enjoy" whether you win or lose.

President Mark

General Conditions

For the Mattara Bowls Carnival

1. Trophy values will be those as provided by the Mattara Committee of the N.D.B.A.
2. All matches will be governed by the Laws of the Sport of Bowls (including Domestic Regulations for Australia) and the State Conditions of Play.
3. The N.D.B.A. Match Committee shall have entire control of all competitions and in the case of disputes its decision will be final.
4. If a singles player, both members of a pair or a complete four fail to appear within 30 minutes after the time fixed for commencement of play the match shall be forfeited to the opponents, except that, if available, a substitute or replacement is permitted. Should both teams be at fault then both will forfeit. A player or team receiving a forfeit will receive the maximum points and the average number of "shots up" and/or ends won for games played by it in that section. ("Shots up" means the difference between shots scored for and shots scored against). Forfeits should be notified to Association Headquarters, your opponent and the Venue Club at least 24 hours prior to the event. Failure to fulfil this requirement, without justifiable cause acceptable to the Mattara Committee, will result in a fine of no less than \$55 per player. Losers in Post Sectional Matches in the Les Parrott Memorial Open Singles & Restricted Singles are required to mark. Failure to do so will result in a \$55 fine.
5. Irrespective of weather conditions, players must report at the appointed time at the greens where they are drawn to play, and if play is prevented they shall remain until instructions are received from Headquarters with regard to future play.
6. In all matches in sectional play, in the event of a tie, an extra end or ends will NOT BE PLAYED but each team will receive one point.
7. One trial end is permitted before the commencement of each game each day and must be completed before the appointed starting time.
8. Substitutes and replacement players are permitted in accordance with Domestic Regulations and Laws of the Sport. A substitute may play in any position except that of skip
9. All Mattara events are considered to be one competition and substitutes are allowed as per the order of precedence (refer Rules 12 & 13).
10. The Mattara Restricted Singles is open to all Male bowlers who were graded or would have been graded to play in No.4 Pennants or below in the 2021 Pennant season and to all female bowlers who were graded or would have been graded to play in No. 3 Pennants or below in 2021 Women's Pennant season.
11. In Sectional Play if a player or team with 2 losses is drawn against another player or team with 2 losses, then the 3rd Round Game may not be played if agreed to by both players or teams.
12. The Mattara Carnival is an official N.D.B.A. fixture. Should a player be engaged in both a Mattara fixture and a Club Competition at the same time, the Association fixture shall take precedence and the player concerned shall not, in any way, be penalised by his club.
13. Order Of Precedence:
 - (a) This order of precedence will cover all events conducted at the Carnival and is set out to ensure that players will maintain the maximum benefit from their entries.
 - A. Open Singles
 - B. Restricted Singles
 - C. Classic K.O. Club Nominated Men's Triples
 - D. Men's Open Fours
 - E. Men's Open Pairs
 - F. Men's Restricted Pairs
 - G. Mixed Open Pairs
 - (b) If a male bowler qualifies for the semi-finals in the Mixed Pairs and another Mattara event, he may apply to the Mattara Committee to receive dispensation from this order of precedence.
14. The winner of each section will be decided as follows:
 - (a) The team with the greatest number of match points (3 points for a win, 1 for a tie).
 - (b) If a singles player or two or more teams have an equal number of match wins, the winner shall be the player or team with the greatest margin of "shots up". (Refer Rule 4 General Conditions).
 - (c) Should equality still exist the player or team with the least number of "shots against" shall be declared the winner. (Refer Rule 4 General Conditions).
 - (d) If still equal the winner of the match between the two opponents shall be declared the winner
 - (e) Should equality still exist the player or team having the greatest number of winning ends shall be declared the winner (half point each tied end). (Singles = least number ends lost)
 - (f) If still equal the winner will be determined on -
 - (i) Highest percentage, e.g. $\frac{100 \times \text{Total shots for}}{\text{Total shots for and against}}$
 - (ii) The toss of a coin.
 - (g) In the event of a tie in any Post Sectional matches an extra end, or ends, will be played to determine the winner. Dead ends will not count at any time.
 - (h) A team receiving a forfeit will receive the maximum points and the average number of shots up and/or ends won for the games played by the player/it in that section. ("Shots up" – refer to Rule 4 General Conditions).
 - (j) All players must be ready to commence play at the stipulated time. After the initial round each day subsequent rounds can be played as soon as both teams are ready without having to wait for a particular time.
15. In the event of wet weather the following shall apply to determine the winner:-

Instructions

For Personnel Managing Games

1. Badges are for players and markers participating in carnival.
2. The start time on all sectional matches is 9.00am (Trial ends 8.40am). All trial ends must be completed before this time so that matches can commence at 9.00am promptly. Ensure that all matches start on time. Cards are to be called 8:30am prior to the start of play.
3. Check players in on arrival. If they do not report you may not know they are present. Being on the premises does not mean that they have checked in or that they are ready to commence play. Avoid forfeits if at all possible. Fill in with club members who will then become a constituted team of the carnival without charge of entrance fee.
4. The draw for rinks can be made beforehand in order to avoid delay. There is no need for the players to arrive before making the draw. Make sure the rinks you allocated are in fact available. Check with the greenkeeper or Liaison Officer. Always use the best green. A sample rink draw is shown in the booklet.
5. Display the draw in a prominent position and make sure it is adhered to. Mistakes can, and have occurred, in this way. Score cards for each section and for each game should be kept separate by rubber bands. All cards should show the number of ends to be played for both sectional and post sectional rounds. They should be prepared well beforehand showing all detail. Complete all cards with the names of all players.
6. Cards are to be returned to the games controller immediately after each match is completed and results recorded on the result sheet without delay. When all cards have been received and results should be entered into the website link for Mattara results and also displayed at the club for players to view. If unable to access website results they should be phoned in to Association or member of the match committee.
7. Appoint a National Umpire, Clubs should appoint two (2) National Umpires when two (2) greens are being used.
8. A team receiving a forfeit receives the maximum points and the average number of "shots up" and/or ends won for games played by it in that section. ("Shots up" means the difference between shots scored for and shots scored against).
9. Section winners are those with the highest number of points. If two or more teams have an equal number of match points the winner is determined as detailed in General Conditions Rule 14.
10. Pens are to be presented by a club official to section winners. Do not declare the winner unless it is quite obvious that there can be no mistake. If in doubt contact association.
11. Make sure that section winners know what venue they are to play the next day.
12. Lunch is to be served at a time that is suitable to the club, either after game 1 or after game 2 in sectional play. Ensure there is a minimum of time lost between games. 40 minutes should be the very maximum time allowed for lunch
13. The compulsory charge for lunch has been **DELETED** players to make their own lunch arrangements.
14. Ensure that mats, jacks and score boards are in position and that a supply of chalk is available.
15. In case of rain notify Association Headquarters without delay. If play is in progress when the rain starts, players are to remain at the club until a decision has been made.
16. All Mattara prize winners apart from Singles will receive their trophies at the conclusion of the semi-finals and finals on Finals Day. Mattara Open & Restricted Singles will receive their trophies at the conclusion of the Singles events
