CIRCULAR NO.001/2019 TO ALL CLUB SECRETARIES

Attention Bowls Coordinators

Clubs are reminded that Player Transfers, Clearances and Registrations MUST be sent to Bowls NSW.

If it is a transfer then a \$25 payment MUST also be sent. Bowls NSW will not complete transfer if they do not receive payment or if they receive a payment with no reference as to who the payment is for. If you sent the payment separate to the transfer, please make sure that Bowls NSW can identify which player and club the payment is for.

Registrations are to be sent to Bowls NSW as well however no payment is required to register any new player. Clubs are now under a fixed fee system so they can register as many new players as they wish with no increase to their fixed fee each year apart from CPI.

As a courtesy a copy of Transfers and registrations should also be sent to the NDBA so we can update our records.

Please note: Until Bowls NSW has approved any Clearances or Registrations these players are ineligible to play. Just sending to NDBA does not make player eligible to play.

Members lists are updated at the end of every week so if players do not appear on your members list they are ineligible to play until they do.
