Completion of result sheet

Secretaries and Coordinators are asked to remind their Pennant side managers to check that the Result Sheet has been completed correctly.

Some of the issues the Match committee is having are as follows.

- 1) Rink scores or number of ends won by each rink not being entered.
- 2) Clubs that have more than 1 player with the same surname and first name initial, not being identified as to who is who.
- 3) Wrong initial and incorrect spelling of surname.
- 4) The same team being written on both sides of score sheet.
- 5) Totals at bottom of sheet not being entered correctly

It is obvious to the Match committee that most problems occur with the away side as it is the home team manager that is completing the results sheet and the manager of the away team is not checking it is correctly filled in.

If there is a discrepancy in the score, the first question asked by the Zone or State Match committee is, "did the managers sign the sheet?" if it has been signed it is official!
If filled in electronically, entering a name in the manager's space is the same as signing.
So managers MUST check the Results Sheet

Attached is a scoresheet to help managers complete them correctly.

When completing the bottom of the sheet, please remember

Total Shots =	this is the Master Board Score
Win Points =	this is the points for Master Board so it can only be 7-0 or 3.5 each side
Rinks Won =	this is the number of rinks won by both sides, 1, 2 or 3
Total Points =	this is total match points, eg, 10-0, 9-1, 8-2, 9.5-0.5, 8.5-1.5
Ends Won =	this is total ends won each side in a full completed match will add up to 63

The best method of completing results sheet is to type on computer, however the match committee are aware that this is not always possible so they ask that the Results sheet, if being hand written, are PRINTED CLEARLY showing full name of player and Bowls NSW rego numbers where possible.

And remember Results are to be phoned to 49293441 ASAP after match and results sheets forwarded via email to zone2@ndba.com.au or louise@ndba.com.au or, which is proving easy and popular, at text of a CLEAR photo of results sheet to 0448 803 590
