Corona Virus (COVID-19) update

The Zone 2 Executives, under the advice from Bowls Australia and Bowls NSW, have suspended all association events due to the threat of the Corona Virus (COVID-19) for at least a 2-week period.

With the majority of our members being in the “high risk” age bracket (62% over the age of 60) it has been decided to try and eliminate exposure as much as possible and as of today March 17 2020, Mid-Week Pennants, Saturday Pennants, Junior and Under 25 singles and Zone Open, Senior and President’s Fours and Club Championships will not proceed until further notice.

Clubs are also to consider the postponement of planned Tournaments and social matches over the next few weeks to again minimise the risk of exposure to their members.

Obviously, any member who is experiencing symptoms should contact health authorities for testing and if positive they should notify their club immediately.

All Clubs will be notified of developments as they come to hand.
