CIRCULAR NO.2021-04

TO ALL CLUB SECRETARIES:

Serving of food during Pennant season

The Executives of Zone 2 have recommended that no food be served to players during the Pennant season due to the current situation regarding COVID.

Clubs may do so if they wish by following their COVID Safety Plan regarding Food handling

Any club that will be serving food after matches and is using volunteers to prepare this, are encouraged to have their volunteers complete the COVID-19 awareness for food service, which can be found by following the link below.

<https://covidaware.instructure.com/enroll/J8BBYH>

This awareness training highlights the correct procedures for food preparation with emphasis on individual servings and no sharing of condiments (sauce bottles, butter knives, salt and pepper shakers etc.)

As a courtesy, the home club should inform visiting clubs if they will or will not be offering and serving food.

The Executives are aware that restrictions and guidelines may change at any time.

Please remember this is only our Executive recommendation and it is entirely up your club if you wish to serve a meal during the Pennant Season.

Good Bowling in 2021

Stay Safe

Mark Conway

NDBA President.
