WORKING WITH CHILDREN CHECK

A Working With Children Check is a requirement by law for people who work or volunteer in child-related work. It involves a National Criminal History Check & a review of findings of workplace misconduct.

The result of a Working With Children Check is either a clearance to work with children for five (5) years, or a bar against working with children. Cleared applicants are subject to ongoing monitoring and relevant new records may lead to the clearance being revoked.

Bowls NSW advise:

- a. That it is a requirement of ALL accredited coaches to have a Working With Children Check Number.
- b. No Bowling Club should allow a coach to begin coaching children **without** the Working With Children Check being received and verified.
